HOW TO REPORT Guide to a reporting page

Welcome!

Welcome to your guide to an incident reporting page. We will walk you through the whole online reporting process.

In this guide, you can read about how to:

- Create a written or oral report,
- Access your existing report and see what actions have been taken,
- Send additional information or files.

Reporting page

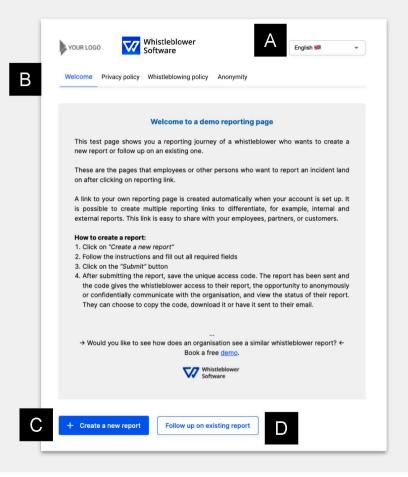

Through the link

https://whistleblowersoftware.com/secure/torello

Or by scanning the QR code displayed in the company, you will have access to the reporting page. On this page, you can:

- A. Change language options,
- Read about your company's privacy policy, whistleblowing policy and other relevant information,
- C. Create a new report,
- D. Follow up on existing report.

How to create a report Guide to a reporting page

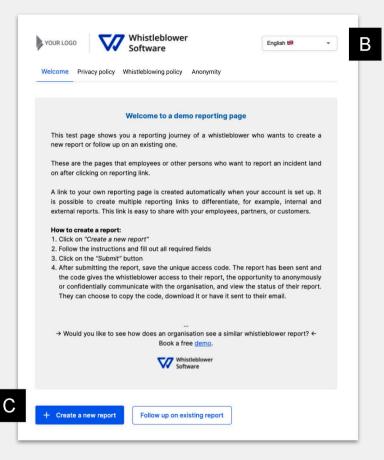

How to create a report

- A. Access the online reporting page on any device using the reporting link https://whistleblowersoftware.com/secure/torello or scan the QR code below
- B. Choose your preferred language
- C. Click on + Create a new report

How to create a report

You can choose to make either written or oral report. Choose whether you would like to create:

Written report

If you wish to create a written report, proceed filling out information.

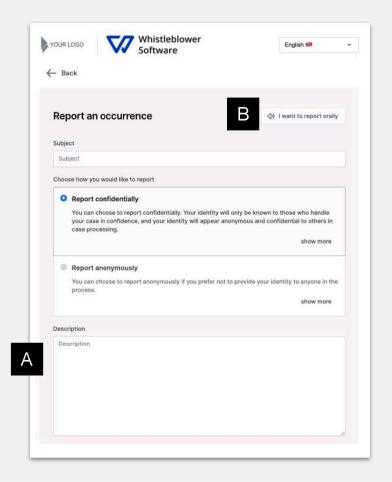

Read how to create a written report on page 7.

Oral report

If you wish to create an oral report, click on I want to report orally.

Read how to create an oral report on page 10.

A. WRITTEN REPORT Guide to a reporting page

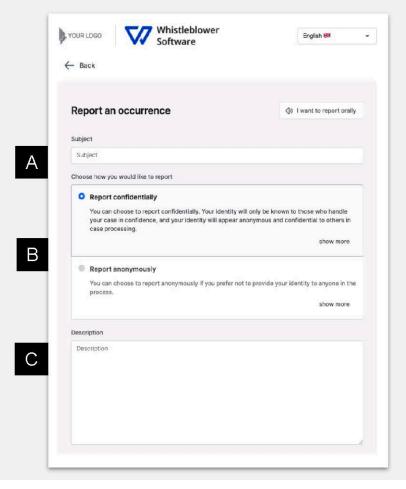

A. Written report

Fill out the required information:

- A. Subject: short description of your report,
- B. Choose confidential or anonymous reporting (read more about each option after clicking on *show more*),
- C. Description: describe the subject of your report in as much detail as possible.

Note: If you choose to report anonymously, make sure that you don't disclose your personal information in any part of the report.

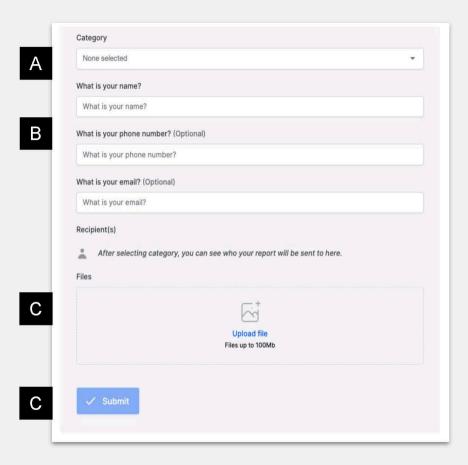

A. Written report

- A. Category: select a category describing the type of reported occurrence,
- **B.** Additional questions: other questions might be obligatory or optional to finish the report, e.g. your contact information,
- C. Files: it is possible to upload different file formats, e.g. PDF, images, videos.

Note: Metadata are automatically removed.

D. Click *Submit* once you finished your report

B. ORAL REPORT Guide to a reporting page

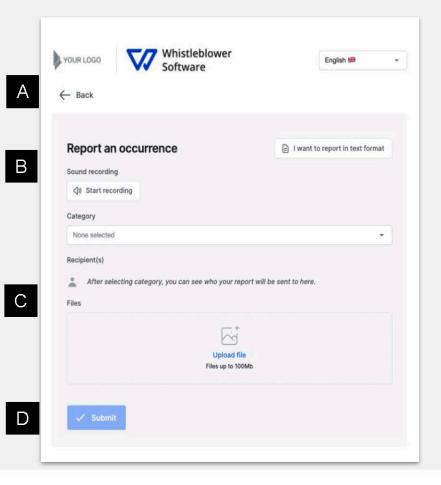

B. Oral report

Compila le informazioni richieste:

A. Click on Start recording,

Note: Your voice will be distorted to ensure your security and anonymity.

- B. Category: select a category describing the type of reported occurrence,
- C. Files: it is possible to upload different file formats, e.g. PDF, images, videos,
- D. Click Submit once you finished your report.

ACCESS CODE Guide to a reporting page

Save your access code

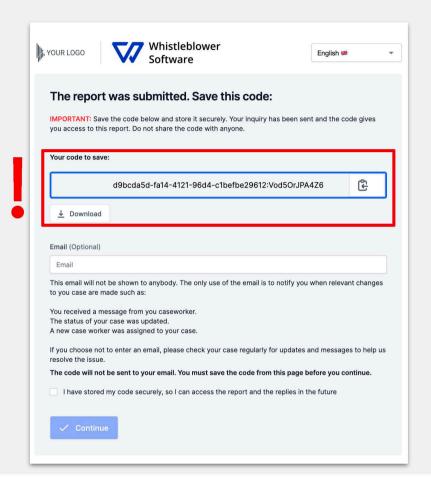

After submitting your report, don't forget to securely store your access code.

Why is this code important?

- It gives you access to your report,
- You can further communicate with case workers,
- You can see the status of your case and new messages.

How to save your access code?

- Copy and paste it in a safe document,
- Download it to your device.

REPORT FOLLOW-UP How to keep up to date

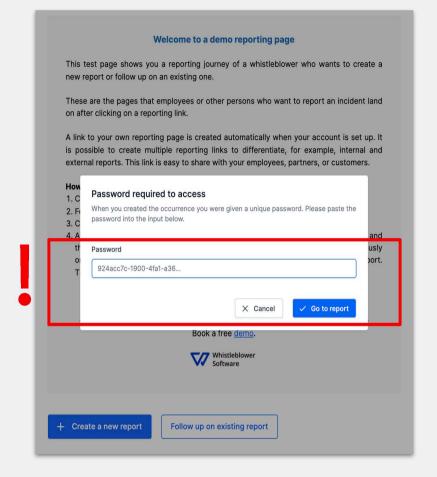

Follow up on your report

- A. Go to a reporting page.
- B. Click on Follow up on existing report.
- **C.** Enter your unique access code in the field for password. This code was generated when you submitted your report.
- D. Click on Go to report.

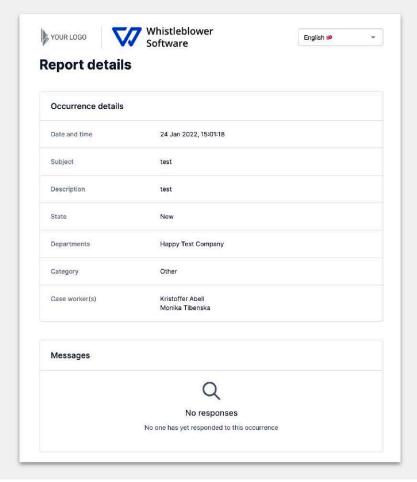

Overview of your report

Now you accessed a page with details of your report.

On this page you can:

- See your full report,
- Review status of your report,
- See who are the case workers looking into your reported occurrence,
- Read messages from case workers,
- Provide more information by sending a follow-up message or files.

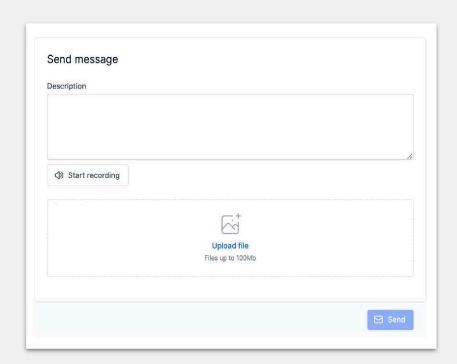

Share more details

You can provide additional information after submitting your report by sending a new message.

- A. When you access your report and scroll below *Report* details, you have an option to send a new written or audio message.
- B. Simply type your message, record audio or upload a file and click on *Send* button. Any additional messages and files will be linked to your existing report.
